Jim,

I wanted to take a moment and thank you and Lamar Advertising for your generous donation of the electronic billboard space for the Crystal Arensdorf missing person case. This case has deep meaning for many people in the Dubuque Police Department as well as the Dubuque community.

The renewed attention to the case resulted in multiple calls to investigators as well as an offer of a \$10,000 reward by an anonymous donor for information leading to the prosecution of people involved in the disappearance. Additionally, Crystal's family expressed their gratitude to your company for keeping Crystal's memory alive.

Actions like those of your company are very commendable and a true gauge of the community spirit and partnerships that can only be found in a city like Dubuque. Once again thank you for your help on this case.

Kindest Regards,

Mark Dalsing
Chief of Police
